

horn, rubber or similar nitrogenous materials, the plant food content of which is largely unavailable, either as such or mixed with other fertilizer materials.

False or misleading representations.

(c) To make any false or misleading representation in regard to any mixed fertilizer or fertilizer material shipped, sold or offered for sale by him in this State, or to use any misleading or deceptive trademark or brand in connection therewith. The sale or offer for sale of any mixture of nitrogenous fertilizer materials under a name or other designation descriptive of only one of the components of the mixture shall be considered deceptive and fraudulent.

Authority to refuse registration when Section violated.

The commissioner is hereby authorized to refuse registration for any commercial fertilizer with respect to which this Section is violated.

Filing false statements with Commissioner.

(d) The filing with the commissioner of any false statement of fact in connection with the registration under Section four of any commercial fertilizer.

Obstructing enforcement of Act.

(e) Forceibly obstructing the commissioner or any official inspector authorized by the commissioner in the lawful performance by him of his duties in the administration of this Act.

Taking or submitting false samples.

(f) Knowingly taking a false sample of commercial fertilizer for use under provisions of this Act; or knowingly submitting to the commissioner for analysis a false sample thereof; or making to any person any false representation with regard to any commercial fertilizer sold or offered for sale in this State for the purpose of deceiving or defrauding such other person.

Fraudulent tampering with fertilizers, resulting in false samples.

(g) The fraudulent tampering with any lot of commercial fertilizer so that as a result thereof any sample of such commercial fertilizer taken and submitted for analysis under this Act may not correctly represent the lot; or tampering with any sample taken or submitted for analysis under this Act, if done prior to such analysis and disposition of the sample under the direction of the commissioner.

False and misleading reports to fertilizer chemist.

(h) The delivery to any person by the fertilizer chemist or his assistants or other employees of the commissioner of a report that is willfully false and misleading on any analysis of commercial fertilizer made by the department in connection with the administration of this Act.

Sales without required markings.

(i) Selling or offering for sale in this State commercial fertilizer without marking the same as required by Section 5 of this Act.
